

All Purpose --- Product Specification

Perfected for today's modern home & office equipment

PaperOne™ All Purpose is a PEFC-certified premium quality home & office paper for all printing and copying machines. It has super high whiteness and thickness which translates into world-class documents with sharp and clear prints. With ProDigi™ HD Print Technology, it prints better on inkjet color printers using pigmented inks than other regular copy papers.

Print & Usage Area

- Pigmented inkjet color printing
 - Xerographic Laser monochrome and color printing
- Examples of usage areas are office reports, newsletters, proposal copies, graphics, memos, resumes, thesis, essays and letters, etc.

Features and Benefits

- Environmentally Friendly
 - 100% renewable fiber from PEFC-certified plantations (For more info, please visit www.pefc.org)
- High thickness
 - Enables superb duplex (double-sided) printing with great paper feel
- High opacity
 - No show-through
- High whiteness
 - Great print contrast and clarity
- High smoothness
 - Sharp, crisp and clear print quality with silky paper feel
- Precision cut edges
 - Trouble-free performance, jam-free
- User friendly box
 - Built-in handles for easy carrying, perforated tear strip for ease of access to reams, and unprinted lined area for labeling
- ProDigi™ HD Print Technology
 - Enhanced surface technology for better color inkjet/laser printing
