

Copier --- Product Specification

Engineered for high speed and high volume copying

This PEFC - labeled PaperOne™ Copier has exceptional formation and good smoothness to ensure consistent and problem - free copying for the most demanding printing and copying requirement. With ProDigi™ HD Print Technology, it helps to preserve printer drums with less surface abrasion compared to regular copy papers. PaperOne™ Copier is available in a variety of sizes and basis weight for today's modern copy equipment.

Print & Usage Area

- Xerographic Laser monochrome and color printing
- Pigmented inkjet printers and copiers

Examples of usage areas are high volume course books, notes, flyers, leaflets, draft reports and regular home & office printing etc.

Features and Benefits

- | | |
|------------------------------|--|
| Environmentally Friendly | - 100% renewable fiber from PEFC-certified plantations
(For more info, please visit www.pefc.org) |
| Good thickness & opacity | - Superb duplex (double-sided) printing with little/no show-through |
| Good whiteness | - Great print contrast and clarity |
| Precision cut edges | - Trouble free performance, jam-free |
| ProDigi™ HD Print Technology | - Enhanced surface technology for better color inkjet/laser printing |
